TrustBar is a group of Advocates specialising in the areas of **partnership, companies, agency** as well as **wills, trusts** and **executries**. The common feature tying these areas together is the fiduciary principle which exists in all of these areas. **Directors' duties** are a major part of this. Their duties may inform the content of duties for other fiduciaries such as **agents and trustees**.

We are privileged and delighted to be able to arrange this lecture for practitioners in **Edinburgh, the Lothians and beyond**. We hope that as many as possible will be able to attend. **Anyone** with from your firm is welcome, but for **corporate, trust, and commercial litigation** practitioners, this lecture is particularly important. An **informative and stimulating** event is guaranteed from so distinguished a speaker. A short period for questions is envisaged, if time allows.

The fee for the event is £30 per person. To reserve a place/ places at this event please complete the accompanying form and return it to our treasurer, Jeya Irvine, Advocate, at the address on the form.
