

Local Government Conference

Terra Firma Chambers members provide legal advice and representation on all aspects of the law that effects local authorities. TFC members currently provide advice to almost every local authority in Scotland.

Our core areas of specialism are Administrative, Property, Planning and Commercial law. Our members areas of practice include Employment, Environmental, Housing, Licensing, Public Procurement, Roads and Transport and Valuation and Ratings.

We are delivering a series of talks at a conference specifically focusing on those issues which regularly concern local authorities. Topics to be covered will include:

- Administrative
- Employment Law
- Freedom of Information
- Licensing
- Planning and Environmental Law
- Public Procurement
- Valuation and Rating

We believe this event will be the first of its kind offered by Chambers in Scotland. The conference will be chaired by Roy Martin QC.

Delegates are invited to attend either part of or all the conference and subsequent drinks reception.

CPD points will be available to delegates attending the talks. No cost will be charged for the event. Numbers are limited and places will be allocated on a first come first served basis.
