TERRA FIRMA MARINE PLANNING SEMINAR

4.30pm | **Registration, Tea & Coffee**

5pm | **Current Issues in Marine Environmental Law**

The Marine (Scotland) Act 2010 entered force in March 2010 and introduced a new legal regime for marine planning and marine licensing. We now have two and a half year's experience of the Act's operation and during this time, several important issues concerning both marine planning and marine licensing have arisen. This seminar will explore some of these issues. Among the topics to be covered are:

- The development of marine plans
- Overlap between marine and land use planning
- Renewable energy proposals
- The marine licensing scheme
- The impact of EU law on marine licensing
- Overview of Fishing vessel licences
- Litigation concerning the marine environment

| **Speakers**

James Findlay, Advocate & Barrister (QC England & Wales)
Beverley Walker, BlueWind Consulting Ltd
Denis Edwards, Advocate & Barrister

7.00pm | **Drinks Reception**
